EURO TECH WEEK at CES LAS VEGAS 2018

January 6 To January 12, 2018 - Las Vegas

PARIS - LAS VEGAS, 28.11.2017, 07:25 Time

USPA NEWS - The Euro Tech Week allows CES International Visitors and Exhibitors to meet, exchange, and possibly start collaborating between themselves and with USC counterparts before and during CES. The Euro Tech Business Lounge is the most important global "VIP like" Networking, co-working, and shared Suite ever put together for CES. The Euro Tech Week and its Post-CES Immersion Week are supported by European Commission Initiatives...

The Euro Tech Week allows CES International Visitors and Exhibitors to meet, exchange, and possibly start collaborating between themselves and with USC counterparts before and during CES. The Euro Tech Business Lounge is the most important global "VIP like" Networking, co-working, and shared Suite ever put together for CES. The Euro Tech Week and its Post-CES Immersion Week are supported by European Commission Initiatives.

CES, formerly The International Consumer Electronics Show (International CES), showcases more than 3,900 Exhibiting Companies, including Manufacturers, Developers and Suppliers of Consumer Technology Hardware, Content, Technology Delivery Systems and more ; a Conference Program with more than 300 Conference Sessions and more than 170K Attendees from 150 Countries. The first CES took place in New York City in June 1967. Since then, thousands of Products have been announced at the Yearly Show, including many that have transformed our Lives.

- CES Official Show Locations :

* CES Tech East : Where innovations in audio, drones, gaming, augmented and virtual reality, vehicle technology, video, wireless devices, wireless services, digital imaging/photography or anything "i" come to market. It's also home to many international exhibitors.

* CES Tech West : Features the innovative power behind the industry's emerging technology, including revolutions in fitness and health, the Internet of Things, wearables, smart home, sensors and other high-growth technologies changing the world. It's also home to Eureka Park, the startup community at CES.

* CES Tech South : The CES epicenter for the advertising, content, marketing and entertainment communities, hosting a variety of C Space activities, including conference sessions, networking events, exhibits and hospitality suites.

- CES Product Categories and Marketplaces :

- * Advertising, Entertainment & Content
- * Automotive
